“Every Christian is a missionary to the extent that he or she bears witness to God’s love. Be missionaries of God’s tenderness!” (Pope Francis, Twitter page, May 5, 2013)

Fr. Luis Alfonso Segura, MSC (Missionaries of the Sacred Heart) - Dec 2014 e-mail:

Thanks so much for your email and for your support through the years, we are very grateful for the work you have done with us. We continue building a house of retreat and at this time we are preparing for a Christmas mission, we will go to different parts of Colombia for a novena.

**St. Agnes Mission Circle
 35 Years of Serving Missions**

St. Agnes Mission Circle group is celebrating 35 years of service to world missionaries. The group began around 1979 when Fr. Mel Collier introduced his missionary friends. Over the years some dear priest friends have retired or gone to God and left new contacts for us. In Zimbabwe, where Fr. Conal Collier & Fr. Cathel Collier served 50+ years, there are now local priests & seminarians.

December 2104 Email from Fr. Klink, St. Agnes Mission Church, Manderson South Dakota

I just received this and appreciated your partnership and companionship, It is practically zero degrees this morning and the temp difference from San Diego quite pronounced. Nonetheless, warmest greetings to all of you.

I will get back to you and don't let me forget that. On the radar would be a successful Vacation Bible Camp this summer (photo below), the sacramental prep class of six taking place now, and the renovation of the Tekakwitha Hall (the parish hall) that is also underway (construction photo below). We have tried to pull the funding together for the latter. So, there is some news! I just have to get it put together.

Blessings and prayers, Fr. Peter, SJ
